## §1 Summary

| | |
|---|---|
| **Result** | We looked up IMO 9251743 by number on the US (OFAC), EU, UK and Ukraine sanctions lists. DAKAR is on the EU and UK sanctions lists. It is not on the US (OFAC) or Ukraine lists. |
| **Companies** | We don't publish an owner, manager or operator company from the sanctions lists for DAKAR. This sample doesn't show or look up any shipowner, manager or ISM company that other sources record for this ship. It doesn't check risk indicators. Sanctions on a company can also apply to the ships it owns. |
| **How current** | We checked the US, EU, UK and Ukraine lists on 25 Nov 2026. Each list's check time is in §2. |

## §6 Shipowner, manager and ISM company, from other sources

### Not in this sample

In a paid report, this section shows the companies that the Paris MoU, the Tokyo MoU and a vessel-data provider record for the ship as its shipowner, manager or ISM company. Each comes with its source, and with a date where the source gives one. The paid report also looks each company up on the OFAC and UK lists.

**Under these sources' terms, their data can appear only in paid reports.**

## §7 Sources and method

This report was generated automatically from the official lists. The ship was looked up by its IMO number.

This report doesn't cover where the ship has been, or who owns it. It speaks only for the lists named here, at the times shown. This report is information, not legal, compliance or other professional advice. The decision on any deal, and the responsibility for it, stay with you.

The four sanctions lists, with each list's date and check time, are in §2. §8 names the copy of each list we used, with its fingerprint.

## §8 Source files

Our copy of each sanctions list, with its SHA-256 fingerprint. Fingerprint of the EU's packages: a SHA-256 of the list of each package's SHA-256. We keep that list with our copy. Ask us for it if you want to check a package from EUR-Lex.
